

1st Graders Heading To Living Treasures!

To: 1st Graders and Family

From: Ms. Callander and the rest of the 1st Grade Teachers

Description and Destination: We will be going on a field trip to Living Treasures Animal Park on July 20th. Our entire first grade class will be heading to this small zoo like animal park to explore the different kinds of species! We will also be getting a tour from a guide at the park to help us learn about the animal's natural habitats and how they are taken care of, along with some other fun facts. The purpose of our fieldtrip is to educate children on both animals that they may see around them and animals that live in the wild. We also want to educate children on the habitats and care for certain species, with the help of an educated professional (our tour guide). If you have any questions or concerns, please contact the Elementary School Office and leave a message. We will return your call soon and answer your concerns!

***Health information will be taken along on this trip.**

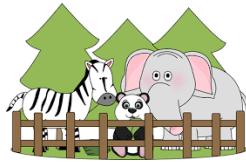

Date: July 20th

Transportation: 2 school buses

Time Leaving and Returning: We will be leaving the school at 8:00 AM and returning at 2:30 PM!

Lunch Information: Students can pack their own lunch in a sack. Please make sure there is no glass containers or pop cans. (If students need, send in a note and the cafeteria will provide a sack lunch and give the students options)

Souvenir Money: If a student wants to buy souvenirs, they will need to bring money. (\$20.00 dollars at most, please. Teachers will be putting money in an envelope as students load on to bus.)

(cut off this portion of the form and return to Ms. Callander by 7/5/19)
